

CREATE A UNIQUE TOURISM EXPERIENCE WITH APR SCENIC FRAMES

Highlight the Australian landscape and attract visitors to your area with a life size photographic frame. Exclusive to APR, each frame is tailor made with eco-friendly composite panels, high quality artwork and an engineer certified steel frame designed to withstand strong winds.

PROJECT 1: #WALKTHEYORKE

A series of frames were installed along the Yorke Peninsula coastline allowing visitors to capture memorable photos of their journey. Bollard sign markers were also installed to help guide the way.

PROJECT 2: #ENCOUNTERITALL

Visitors can make a stop at Encounter Bay to take a snap with this two-way frame capturing views of Victor Harbor and Granite Island.

You can rely on APR for the best project advice!
